## New Facilitators in Lake City, FL Area

**From Founder Ed White:** Our goal is to place our training in every prison in Florida. On July 23, Fred DeMouey, Dale Guedry, and I drove to Lake City in North Florida. Bad weather hindered us some. After a few hours of sleep Friday night, we were up early and headed to Branford Church of God where the FIT training was to be held. Hosted by Paul Pate, our contact man in the area, we got started about 9 AM. Much excitement was created as the men shared their vision for the prisons in that area. I believe we will get more facilitators from class of these eight men than we have had in the last few years. There are ten-to-twelve prisons in driving distance of these men. We have prayed for some time for the Lord to help us get established in the north Florida area. Thank God this is the first step. Two members of this class were former inmates and you could see and hear the excitement in them about getting to go back in and helping some of their friends. The Holy Spirit will lead them in the area they should go and good results will come. I look forward to hearing from these fellows in the future. Please help us pray for positive results of this training. **Right to left in the picture Paul Pate, Pastor David Severance, Daniel Gray, Three standing are Dale Guedry, Ed White,, Fred DeMouey, Justin Portbury, Michael Portbury, Steven Heintz, and Terry Klizkie**

## Six Trained in Bradenton, FL

**From Don Pratt:** We had a great time of August 1 at FIT Headquarters. We trained six very enthusiastic new members with many demonstrations and play-acting with our curriculum. Many of these folks are already active and have plans to expand their ministry in FIT. In the back are Office Manager Ellie Larson, who assisted Don Pratt with the training. To the right is Chad Gilbert and Bryan Lacy, both active in the Jericho Road ministry in Brooksville. Left to right on the front row are John Lopez, looking to work with Ted Gaines in the prisons; Rina Korfman of Parrish, FL; and Sisters Solana D’cunha and Mary Hope Riemenschneider, who are planning to implement FIT this fall in three different classes at Ave Maria Christian School in Myakka City, FL. They will be assisted by Ellie Larson and Suzanne Wilson. Don Pratt, Ellie Larson, John Lopez, and Sister Mary Hope also minister in the Learn to Fish Recovery Center for Women in Bradenton.
