## ELENA BOZZI TRAINS AT FIRST BAPTIST OF BELLEVUE

FIT Board Member Elena sent in this report: The training for Women in Truth Ministry at the First Baptist Church of Belleview in Belleview, Florida was great success. The women's passion, enthusiasm, and service to our Lord in prison and jail ministry was on fire through the Holy Spirit. The training intensified their anointing and passion immensely. They are looking forward to facilitating at Lowell State Prison. I am in communication with Chaplain John Hope at the prison to have FIT facilitated there soon. Blessings to all. -Elena Bozzi. ## HELEN CAMPBELL TRAINS THE LIGHTHOUSE STAFF IN LAKELAND, FL

On Saturday, June 2nd, 2012, 11 volunteers gave up their Saturday to join the staff of Lighthouse Ministries and others from Lakeland, Florida, for a day of training, food and fellowship. Lighthouse Ministries is a ministry started in 1977 to reach individuals in need wherever they are. It is a life and learning Campus for Men, Women, and Children with a vision for individuals to achieve an overall outcome of God's peace, life purpose, and fulfillment of potential. Their campus was a perfect fit for training these facilitators to use the Family Integrity Curriculum.

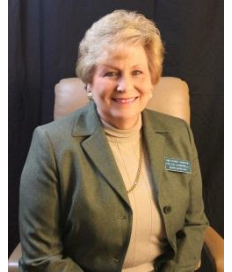

However, not all who attended were from Lighthouse Ministries. We were privileged to have one attendee all the way from Naples, Florida and the winner of the participant who came the longest distance was from Stanley, North Carolina. She included this facilitator training with her vacation and was willing to spend the day with us. What a special time we all had comparing notes about opportunities for FIT classes in North Carolina and other places in Florida.

As always, everyone left the training encouraged, prepared and excited to get busy with classes. Thank you Lighthouse Ministries for opening your facility and hosting future FIT facilitators, including providing lunch for everyone.

We look forward to good reports from all who shared with us in this training.

-Helen Campbell, FIT Leader Trainer

### **Report from Hardee Correctional Institution, Bowling Green, FL**

Good things are taking place at Hardee Correctional institution. Not only have we graduated our first '100 hour' class but we are half way through our second class. The men are receptive to the teaching and I can see a change in their lives and attitudes. I believe the Holy Spirit is doing a positive work in many of them. The teachers are as follows; Lenny Todman on Monday from 9 to 11:00 am, Dale Guedry on Wednesdays, James Paulk on Friday and I fill in on Tuesday and Thursday. Fred DeMouey and Don Pratt and I are substitutes but we are in need of at least two more facilitators. If you can help call me at 863-670-9712.

### **Report from DeSoto Correctional Institution, Arcadia, FL**

Following initial contact by phone by the FIT office, Board members Ed White and Fred DeMouey met with officials of DeSoto Correctional to discuss arrangements to start FIT courses at that institution. We will now need to find volunteers who are trained or who we could train to deliver the program. This institution is an hour to an hour and a half away from Bradenton, Lakeland, Sebring, and Fort Myers. This developmental process is a regular activity experienced by the board and staff. Call the office at 941-739-1338 for help in developing your ministry.
